TEACHER'S GUIDE FOR NPL APP

Co-funded by the Erasmus+ Programme of the European Union

GETTING STARTED

To get started with the NPL game, you must start the game and enter a Username. For teachers, it is very important to have username that is easily identifiable for your students. You can use format Name_School or Name_Organisation or Name_School Abbreviation.

You can use all the functionalities of a normal player without accessing the Admin Panel. This includes playing the different levels and quiz, and creating the quiz under student's category.

NPL APP ADMIN CODE

The Admin Feature of the NPL game allows the teachers to add the Teachers quiz to the game.

To login to the admin feature, the Password is **cbaf2**. The password is same for everyone, each quiz will be distinguished based on the username of the teacher.

To create a quiz as a teacher, you will have to click on the "Teacher Created Quiz."

Then click on "**Create Quiz**." You can add around 4 to 15 quiz questions, they will appear in the levels based on the number of gems in the levels. If there are more gems than the quiz questions, the gems will automatically add to player score for that level.

This will open screen with Option for Title of the Quiz and the Language that will be used for the Quiz.

After that, a new screen will open with two options, "Simple Question" and "Picture Question."

Simple Question is the usual type of quiz question, where the teacher has to setup a quiz question, provide some information, and options to select from.

A picture question is where the teacher can ask the players (Students) to upload a picture from their surroundings related to the topics being taught.

For the Simple Quiz Questions, fill in the required fields. Keep the description short of about 3-4 sentences. More information about the topic can be provided using the links to any internet-based resource, e.g., YouTube, Wikipedia, Nasa kids' information sites, etc. You can also add links to any images from internet on Cloud. Enter the **Correct Answer** in the space provide as numbers 1,2,3, or 4, based on which option is correct. Then click on **Add Question**, a minimum of 4 questions needs to be added while creating a Quiz, this can include Picture Questions.

	Which answer is correct?	
	The second statement is a second statement of the second s	

Once you are done the "**Upload Quiz**" button will appear, which will allow to upload the quiz to the game. A message will appear when the quiz is uploaded. At times, due to internet connection issues, the message may not appear, in

this case, go to the initial page of the game and check again in the teacher's quiz, to ensure the quiz has been uploaded. If it still does not show, **Exit** the Game and Enter again, the Quiz should be displayed.

Note: Please click the button only once, as repeated clicking may create duplicates of the same quiz.

Picture questions have less fields to fill in. In this, a teacher can ask students directly or indirectly about what kind of picture needs to be uploaded, provide a short description and share a links based on the topic. Please get your students to name the Picture using their **username_quiz_school** while uploading. This will make the pictures easy to identify.

Using the Admin features, a teacher can also delete quiz created by a teacher or by students.

When clicked on the "**Delete Quiz**" button, the red crosses will appear on each quiz. By clicking on the red cross for a given quiz the quiz can be deleted.

The quizzes in the student's quiz can also be managed in similar manner.

NPL IMAGE DATABASE

The database for the Images/ Pictures is available on <u>Firebase</u>.You can access this by clicking on "**Go to Console**." This will ask for google account login information. For this, use the following login credentials based on your Country. If you are using from outside these countries, you may use one of the logins.

Estonia:

Email - nplprojectest@gmail.com

Password - Nplproject@EST

Finland:

Email - nplprojectfin@gmail.com

Password - Nplproject@FIN

Once you Login, Click on the "QuizGame"
